- What is the process if an above ground pool breaks and the flooding that would occur to a neighbor's yard or house? Shannon had an above ground pool growing up and it broke and had a wood deck around it, and that was a problem.
 - Samantha Morgan (Board VP) answered, at that point it would be a neighbor-to-neighbor issue.
 - Abbey Davis asked where to go to submit the ballots
 - Shannon Pritzos, can the flooding issue when above ground pools break be addressed?
 - Samantha – Shannon, can you email that concern in for a response from the board.
 - Shannon – Yes, I just think it is a very real issue that will cause very expensive damage to others property that is being overlooked for selfish reasons.
 - Matt Silva – Asked questions regarding budget for holiday décor, but only \$300 for site visits.
 - Dwyann reminded everyone to stick to agenda topics. The board will go over Matts concerns.
